Usually I send map orders via US Mail Parcel Post (or Priority Mail if comparable cost) or UPS Ground.

Free shipping on prepaid orders. Within San Francisco I may also deliver maps in person (at no extra cost) if convenient.

Terms are net 30 days for established accounts, except on orders of one to four maps, which must be prepaid. Different titles may be combined for discount. We accept checks and money orders. Sorry, no credit cards.

Distributor terms and discounts by arrangement.

Foreign orders must be prepaid in US funds, including freight charges. (Please contact us for the exact freight charges, specifying whether you want your order shipped surface or air mail).

Returns: Return authorization is not required. Items may be returned freight prepaid, for full credit if returned not less than 90 days nor more than one year from invoice date. Please reference original invoice number. Credit will be issued only on saleable stock. All returns must be free of price stickers and any residual glue. In other words, *items should be returned in the condition you would want to receive them*. Items not eligible for credit will be returned at your expense. No cash refunds on returns. Defective goods may be returned at any time. Claims for shortages, mis-shipments, or damaged goods must be made within 15 days of the shipping date—we will make good on any such problems.
